Pricing Structure for AEA Journal Subscriptions

The Association uses a two-tier pricing structure based on our findings that R1-designated universities download significantly more articles than others.

Accordingly, Tier 1 pricing applies to organizations identified as R1 universities by the Carnegie Classification of Institutions of Higher Education, as well as international universities included in the top 200 of the Shanghai Academic Ranking of World Universities. Tier 2 pricing applies to all other institutions.

To determine if your institution is subject to Tier 1 pricing, review the following listings:

U.S. Institutions – R1 Carnegie Classification Listing

<https://www.aeaweb.org/journals/subscription-pricing/carnegie>

International Institutions – Top 200 Shanghai Academic Rankings

<https://www.aeaweb.org/journals/subscription-pricing/shanghai>

If your institution is not listed on either of these listings, it is subject to the Tier 2 pricing. For assistance, contact the AEA office at (615) 322-2595 or send an email to aeainfo@vanderbilt.edu.
